IT'S THE THREE TENORS  
MEETS THE RAT PACK!  
-JOAN RIVERS

Best described by comedian Joan Rivers as “The Three Tenors meets The Rat Pack,” The Sicilian Tenors are a must see show filled with the power and beauty of operatic tenor voices singing marvelous songs and arias as they should be sung, combined with lighthearted fun for all ages. The Sicilian Tenors take your audience on a romantic journey from Hollywood to Broadway and, finally, to Italy with all time favorites such as Be My Love, O Sole Mio, and Music of the Night. Accompanied by a grand piano, big band, or a full orchestra, the show works well in any venue, and can be tailored for any audience. The Sicilian Tenors recently performed a sold out night at Carnegie Hall and hope to be singing for you in the near future!
